

HARVEST SERVICE

On Monday 8th October 2018 at 9.30 am there will be a school Harvest Service at St Paul's Church on Rusthall Common.

Parents are warmly invited to attend with coffee provided by our governors.

York Class will not attend Church but will have their own service in class.

Head Teacher's Message

We are trialling a new style newsletter which we hope is easier for you to keep abreast of important messages from school and gives you an insight into what the children have been up to. Let us know what you think.

May I say thank you to all parents who helped to keep the bottom of the driveway and High Street clear, it makes such a difference. We have done this in response to concerns raised on the parent questionnaire and local residents that the pavement was often difficult to pass along and young siblings having to walk through cigarette smoke.

NEWSLETTER

5th October 2018

School Photographer

The School Photographer will be in school on Tuesday 9th October 2018 to take individual photographs of your child. If your child has a brother or sister in school they will also be photographed together **during** the school day.

Families with pre-school children may come into school from 8.30 am to be photographed together.

Our thanks go to members of AXA PP who came into school (on a very rainy day) to help lay the foundations and put together the greenhouse in the Key Stage 1 garden. Thanks also to Mrs Hammond for organising.

AFTER THE BLUE PLAYGROUND GATE IS CLOSED

Please may we remind you to enter or leave school via the Junior Hall when the blue playground gate is closed.

We have noticed that the children are a lot better at pushing bikes and scooters up and down the drive. Occasionally a few forget, if your child is one who forgets please remind them of our expectations.

GENERAL REMINDERS

- DATA COLLECTION SHEETS – if you have received a Data Collection Sheet for your child please may we remind you to return it to school as soon as possible.
- WATER BOTTLES – please remember to send your child to school with a water bottle every day.
- COATS – now that the weather is a bit colder could you remind your child to bring a coat to school.
- SPEAKING TO TEACHERS – our priority at the beginning of the day is to settle children ready for learning. We ask parents from Year 1 upwards to leave their child at the door. A message for the teacher may be left with the adult at the door or at either office.

Many of you will have come across **Tia** in her role as our **Play Therapist**. Tia is a vital and valuable asset, funded entirely by the school (an asset few schools can afford). Her main role is to work with the children through play therapy and she has recently started a child – parent Relationship Group. Children are prioritised by need for play therapy. If you have any concerns about your child your first point of call should be with Mrs Double our SENCo and she will decide if Tia should be involved or she will offer Early Help through KCC. Tia’s time, outside of play therapy, is very limited and unfortunately some parents have made appointments with her and have either been late, not turned up at all or have asked for support which has then not been followed through. Should this be the case we will have no option but to withdraw any support Tia is giving and offer it to someone else.
