

Head Teacher's Message

You will see on our newsletter we monitor how many children are late each week. Well done to parents and children this week for great improvement, especially to KS1 who had no lates. Just a reminder that KS2 registers are taken at 8.45 am so children must be in school by this time and not walking up the drive.

Thank you to all the parents who continue to support us by paying promptly for trips and events in school. As you know from my recent letters, all schools including Rusthall are facing tough times with their budget. We want to keep as many enrichment activities as possible going and appreciate your support with this. Thanks also to FORS who support us. If you are facing genuine hardship and unable to contribute anything towards a trip please come and speak to me in confidence.

We have had a very good term, staff and children are all ready for the half term break. Don't forget Friday 19th is an INSET day and we expect to see children back in school on Monday 29th October 2018.

CLASS DOJO

As you are aware teachers are still using Class Dojo as a means of sharing photos and information with you, they are finding that fewer parents are 'liking' and commenting on posts. If you would like teachers to continue using Dojo, please could you show that you are seeing the posts by commenting or liking, otherwise we will consider stopping this as a means of communication.

GENERAL REMINDERS

- **WATER BOTTLES** – please may we remind you to send your child to school with a water bottle **every day**. The bottle should be filled with **plain water** – not flavoured, fizzy or squash.
- **BIKES AND SCOOTERS** – a big congratulations to the children in school who follow our school rules regarding bikes and scooters. Please may we ask you to remind your child that our rules are that bikes and scooters should be **pushed while on the playground and school drive** for the health and safety of, particularly, younger children who are walking.
