

Head Teacher's Message

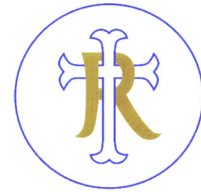

As I sit in my office writing this I feel very proud of our school and what we have achieved.

Today we had a visit from our KCC School Improvement Advisor and she was blown away by what she saw at Rusthall.

The Advisor visits several times a year to oversee standards in teaching, learning, behaviour and leadership. She has responsibility for schools across Tunbridge Wells, Tonbridge and Maidstone and was very complimentary on how we compare to her other schools. Amongst other things, she commented on

- the children's topic work,
- standards of writing across all subjects including presentation, the learning environment around school,
- the children's ability in maths to reason.

I shall be telling the children today how proud I am of them but I hope you as parents feel proud and pleased as well and we would like to thank you for continuing to support us and your children. Please spread the word about all the good things that we do at Rusthall.

MOBILE PHONES

Although children may bring mobile phones to school please may we ask that they are left in the school office during the day? If there is an urgent message, then this can be given to the office staff who will pass this onto the child concerned. If it is difficult news, it can be better delivered when children can get staff support.

Learn a New Skill Day

17th June 2019
