

Head Teacher's Message

Dear Parents,

Many thanks to all those parents who have responded to the FORS request for help. We are hoping now that the Christmas events we have arranged for the children can still go ahead.

Everyone in FORS is a volunteer and many work full time, so any spare little bit of time you can give to help with events is very much appreciated. Without your support in helping to put on events FORS may be unable to continue. This would be a catastrophe as there would be no Santa's Grotto, no Summer Fair, no Children's Disco etc all of which the children really enjoy.

The money raised by FORS goes directly to buying things in school for our children. In recent years these have included I-pads and classroom whiteboards. They are currently raising money for a much needed update of the computer suite.

So, please, I urge you to continue to support FORS by helping with events and of course attending!
