

Head Teacher's Message

Dear Parents and carers,

On behalf of staff and governors may I wish you all a very happy and peaceful New Year!

This week and next we will be sending home copies of your child's registration certificate. This tells you what their attendance at school has been since September. 95% or above is good attendance therefore anyone with attendance below 95% may also receive a letter as we will be monitoring that attendance does not fall any further.

Did you know that in 2013/14 we were in the bottom 10% of schools nationally for attendance? Thanks to your support we have managed to get our attendance to be in line with the National Average. However, it has started to slip again and our whole school attendance is currently below the National Average. With your help I am sure we can get back in line with the National Average.

At some point during this year we are expecting OFSTED to visit us. They will monitor our attendance figures and will want to see that we are maintaining our attendance in order to keep our 'Good' rating, so please help us.

If you have any questions or concerns about attendance I am always happy to meet with parents and carers.
